LIFE AT THE MOUNT SCHOOL YORK

The Mount School York is situated in the beautiful and historic city of York, only 10 minutes' walk from the railway station and city centre. Consistently listed in the UK's top five places to live, York is an accessible, innovative city in North Yorkshire, which is celebrated as the most beautiful of all English counties.

As the UK's second largest tourist destination, York has all of the modern amenities of a truly cosmopolitan city, bustling with quality activities and shopping. But pass inside the walled city and around the world famous Minster, and York's extensively rich history becomes a delight to explore.

The Mount School educates girls from the age of 2 to 18. There are approximately 200 pupils in the School, with around 40 in the Junior School and 160 in the Senior School. There are approximately 35 boarders in the Boarding House, housing girls aged 11 to 18.

The ethos and curriculum of The Mount School promote the Quaker values of simplicity, truth, peace, equality, social justice and sustainability, although fewer than 5% of our pupils come from Quaker families. We expect our staff to be in overall sympathy with the Christian outlook and aims of Quakers and know (or be prepared to find out) something of what that means. The Morning Meeting for Worship is an integral part of school life in which all academic staff and pupils participate. In our position as a successful and well-resourced community, we place great emphasis on service to others. Many schools claim that their pupils fulfil their potential; at The Mount, we believe our pupils discover potential they never knew existed.

Quakers were pioneers in girls' education and we have been educating girls here at The Mount since 1785. We believe that every child is unique and that the purpose of education is to unlock the potential within. Our community is diverse and we welcome children from all faiths and no faith to share in the opportunity to discover their gifts and to become independent thinkers. We are an iPad School and all pupils and staff work with iPad technology.

The Mount is an academically selective school and academic success at both GCSE and A Level is high. Sport, Music and the Arts provide opportunities for the girls to develop their individual strengths and talents, not only in School but at county and national level too. We are pleased that all the girls fulfil their potential and have the results they need for the next step in their education.

The Mount School provides an environment in which pupils are heard and encouraged to find the strength to speak their minds and challenge injustice when they see it. Our pupils are equipped with the skills to shape their own future. They grow at their own pace, free from pressure to conform to stereotypes. They become themselves and they become confident and happy children. The Mount School produces a very special kind of girl; mature, quietly confident, comfortable to be herself, to think independently and be socially considerate. Our ethos is to encourage and develop the individual within a small, caring community. We pride ourselves on our welcoming atmosphere.

The Mount enjoys excellent facilities. Subjects are taught in specialist rooms with full access to modern technology. There is a purpose built Sixth Form Centre, a multi-purpose Sports Hall, a 25-metre indoor Swimming Pool, a Fitness Suite and hard and grass Tennis Courts.

In our last ISI Inspection in November 2018, The Mount School was judged to be excellent for both 'pupils' academic and other achievements' and 'pupils' personal development', excellent being the highest grade achievable. In March 2020 we became an 'All Steinway School', investing heavily in our Music provision by replacing all 10 pianos in School with brand new Steinway models. This has put us in a unique position as one of only 20 'All Steinway Schools' in the UK and the only all-girls, Quaker, 'All-Steinway School'.

The Mount School York is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
