PAYMENT OF FEES IN ADVANCE

The Mount School offers a Fees in Advance Scheme which provides parents with a financial benefit by paying a lump sum in advance. Savings against full fees are calculated using an assumed rate of return on the lump sum which is then accrued in the fund. (The risk of not achieving the rate is borne by the School). The savings offered under the scheme are often considered more attractive by parents than other investments where the interest is a taxable benefit.

If you would like further information about our Payment of Fees in Advance Scheme or a quotation, please contact the Finance Department finance@mountschoolyork.co.uk

DISCOUNTS & BURSARIES

- Discounts of 5% are available for pupils who are members of a Quaker meeting, or whose parents are current members of the UK Armed Forces.
- Siblings of a current pupil will receive a 5% discount, for as long as the older sibling remains in the School.
- Discounts of 10% are available for pupils whose parents are former pupils and a member of MOSA.
- The Mount School has a long history of providing financial assistance to pupils and their families through Bursaries. Bursaries are intended to provide financial support for families so that their children may benefit from a Mount School education. A bursary is means-tested, so the value of the bursary is relative to the financial resources of the pupil's family. A bursary is expressed as a percentage of the standard day fee and will reduce the termly bills proportionately. **If you would like to find out more about Bursaries and the application process please read our 'Scholarship Awards and Bursaries Booklet' which is available on our website.**
